SOCCER MOMS & DADS
2026 SOCCER GUIDE SERIES

FOUNDATIONAL
ADAPTIVE

Hello Soccer Moms and Dads,

We're thrilled to share the Fall 2026 Ohio Soccer Moms and Dads Rec Soccer Guide — your go-to resource for finding fun, welcoming, and developmentally-focused soccer programs across the state!

This year's guide features more than 40 recreation and foundational soccer programs from all corners of Ohio. Whether your child is stepping onto the field for the first time or building their confidence with the ball, there's a program in here that fits.

Our mission remains the same: to help families discover soccer environments that prioritize fun, learning, and community. We believe the journey begins with positive experiences — games filled with laughter, friendships, and foundational skills that build a love for the game.

Inside, you'll find programs for all ages and skill levels, hosted by clubs committed to making the game accessible and enjoyable. We encourage you to browse, share with friends, and consider enrolling your child in a league that fuels their excitement and love for soccer.

A big thank you to our OSMD Insiders — our valued sponsors — who make this guide possible. Their continued support helps us connect families with meaningful opportunities and grow the game at the grassroots level. Thank you for being part of the OSMD community. Together, we're building something special — and we're so glad you're with us.

See you on the sidelines,

Jennifer Dunaway

Southern Ohio

Rising Star Academy
STAR Rush Cincinnati
 Registration Closes TBD
 Finneytown High School
 45231

Rising STAR Academy is a supplemental program of STAR Rush open to players who are ready to learn the game of soccer in a fun, safe, age-appropriate environment. This developmental program will focus on ball work, improving technical ability and teamwork. Your players will learn new skills and gain confidence in the game of soccer. Training will feature age-appropriate, skill-building sessions and small-sided play.

SPORTING COLUMBUS

About Future Super Stars Contact us

Our focus at the U6 and U7 age groups is to create an atmosphere and environment through practice and competition where players are challenged to be creative and solve problems. The priority at these young ages is on individual player development in a fun and rewarding experience. Setting the fundamentals and developing technically superior soccer players will always be at the forefront of our player development curriculum. Great importance is placed on age appropriate activities and creating a child centered learning environment where building the player comes first then the team.

Players will practice once a week throughout the season in an academy style format which U.S. Soccer has determined as a "Best Practice" and have a five - six week game season (each in the fall and then in the spring).

Visit: www.sportingcolumbus.com

Email: kcollins@sportingcolumbus.com

“““

I love passing my passion of soccer along to younger generations. Soccer is one of the most defining aspects of my life and I want others to experience the joy I did. I also think diversity in everyday places is so important to developing young players. I don't see many female black coaches walking around soccer fields, so allowing players to see coaches of all backgrounds allows the game to be a catalyst of change and become more than just a game.
